# 11.2.4 Public Access to Green Spaces

# 2024/2025

ASTMT hosted a range of sporting and recreational activities at its campus facilities in Alexandria, involving international athletes, external sports clubs, and children from the surrounding community. These activities included international sporting championships, external club training camps, and the Summer School programme, which offered opportunities for community participation in organized sports and recreational activities. Through these initiatives, AASTMT facilitated the use of its sports facilities and supported engagement with recreational activities among participants from within and outside the Academy.

## Modern Pentathlon World Cup Final 2025 (4–14 July 2025)

On 4–14 July 2025, the Arab Academy for Science, Technology and Maritime Transport hosted the Modern Pentathlon World Cup, Relay and African Championship 2025 at its stadiums in Alexandria. The competitions brought together 340 male and female athletes representing 36 countries. The event involved international sporting activities at the Academy's sports facilities, contributing to the use of recreational facilities within the city of Alexandria.

## External Sports Club Team Training Camps at Abu Qir Campus (July–August 2025)

During July and August 2025, the Arab Academy for Science, Technology and Maritime Transport hosted training camps for several external sports clubs at its Abu Qir Campus. These included Sohag Sports Club (15–21 July 2025), Canal Club (13–24 July 2025), Interior Club (20–30 July 2025), Port Fouad Sports Club (5–11 August 2025), and Lavina Sports Club (11–17 August 2025), and Tersana Club (10–17 August 2025). The camps were organized through Student Affairs in Alexandria and provided the participating teams with access to the Academy's sports facilities for training.
