Professor Dr. Ismail Abdel Ghafar  
President  
Arab Academy of Science, Technology & Maritime Transport  
PO Box 1029  
Abu Kir  
Alexandria, Egypt

October 17, 2014

Dear Prof. Dr. Abdel Ghafar,

All of us at IEEE who joined you at AASTMT last week want to thank you for your gracious reception. We were impressed by the campus, the curriculum and – most of all – the people there. We know you are all justifiably proud of AASTMT, and we at IEEE pledge to work with you fully to help you meet your goals. Please call on us at any time.

Sincerely,

A handwritten signature in black ink that reads "Jonathan Dahl". The signature is written in a cursive, flowing style.

Jonathan Dahl  
Sr Director, Global Sales & Customer Operations
