

HULT prize Egypt

In Partnership with AAST, HULT prize Egypt is introducing its 2016 innovation challenge where Students should offer innovative solutions to this year' challenge and have a chance to win USD \$1 million in seed capital to launch their disruptive start-up.

2016 Challenge: Crowded urban spaces Building sustainable, scalable and fast-growing social enterprises that double the income of people residing in crowded urban spaces, by better connecting people, good, services and capital.

The Hult Prize is a student competition, open to undergraduates, graduate and PhD students from around the world. Teams compete to create start-ups that will help tackle a single social challenge. One winning team receives \$1 million dollars in seed capital to launch and scale their company.

1 team of AAST will be illegible to participate as one of the 5 national winning teams, the national winners will automatically advance into one of the six regional final events, where the winners will move for 2 month incubation in Boston and then promoted to the final pitch to win the \$1 million.
