International Dual Degree Program

at

**The Arab Academy for Science, Technology
and Maritime Transport (AASTMT)**

In Collaboration with

**The University of Plymouth (UoP)
United Kingdom (UK)**

Arab Academy for Science, Technology and Maritime Transport (AASTMT), Egypt and the University of Plymouth (UoP), United Kingdom announce the start of a newly-approved dual degree program that will allow students to earn (AASTMT) and (UoP) highest-ranked Maritime Transport and Maritime Engineering degrees at both countries.

The (UoP) in the United Kingdom is considered one of the oldest universities that offer distinguished specializations in the field of maritime transport and consequently the graduate of the College of Maritime Transport and Technology will hold a dual degree from (AASTMT) and the (UoP) which provides him with better employment opportunities in distinguished maritime sectors locally, regionally and internationally.

In addition to the B.Sc. from (AASTMT) which is accredited from Central Evaluation and Accreditation Agency (ZEvA), Hannover, Germany, as well as B.Sc. and B.Eng. which are accredited from (UoP), the graduates will have an Egyptian certificate of competency (CoC) as a Second Mate and as a Third Engineer which in turn are accredited from Egyptian Authority For Maritime Safety (EAMS) and International Maritime Organization (IMO).

Upon completion of the requirements, students are awarded a dual Bachelor's degree in:

1. Maritime Transport & Technology Stream

- B.Sc. in Shipping and Port Operation, Egypt
- B.Sc. in Maritime Transport Technology, UK

2. Marine Engineering Technology Stream

- B.Sc. in Marine Engineering Technology, Egypt
- B.Eng. in Marine Technology and Marine Technology Composites, UK

Study Plan

The programme starts with 3 years at (AASTMT) followed by 1 year at (UoP) and ending at AASTMT with 1 more semester, made up of 144 credits.

Locations

Alexandria: AbuQir Campus (3 Years) – (UoP) Campus, UK (1 Year)

Admission Requirements

Students shall fulfill the entrance requirements of the programme with English language proficiency (IELTS 6.0 with a minimum of 5.5 in each band or equivalent). Grading system and quality assurance processes are those in force at (AASTMT).
