

3.3.3 Shared Sports Facilities

2023-2024

Our vision for Sports at AASTMT is to achieve the highest level of services provided in all sports activities for AASTMT students, employees and local community. This is achieved through the deployment of sports awareness and spreading sports culture among students. In a recognition of AASTMT leading role of encouraging sports in local community, Prof. Dr. Ismail Abdel Ghaffar, president of AASTMT, insists on honoring champions and athletes with disabilities. We yearly host several national and international tournaments for a vast variety of sports on our courts and hotels.
