TOR

APPLICATION FORM Call for a Service provider to support in preparing the final report

– MAIA-TAQA project ENI CBC MED

Project Specific objectives:

To reinforce the medium-term technical & management capacities of the labor force involved in the SMEs in the South MED Countries in accessing innovative services. This objective aims to tackle the education barrier and includes the improvement of the capacity of the training providers.

To develop and to define in details a group of new services in the field of sustainability (energy, water, resources) for the SMEs from the MED countries. Such services have a strong innovative character and can be developed through clustering of local SMEs and Project Partners.

To support the business environment through the improvement of the national & standard regulatory frameworks; the commercial technological transfer & the capacity of the SMEs to identify the innovation needs within the MED Countries This objective aims to tackle the regulatory and commercial barrier
