2024/2025

Upholding the principles of governance and institutional integrity, the AASTMT Financial Department plays a vital role in maintaining the university's academic mission. To ensure open communication and access to justice in education, the academy provides clear online pathways detailing tuition structures, specialized merit discounts, and collaborative financial aid programs. These initiatives strengthen institutional checks and balances, cementing AASTMT's commitment to stakeholder accountability while building an inclusive educational ecosystem.

Annual Financial Report Publication

AASTMT's financial reports are prepared and published on an annual basis. They are externally audited to international standards, signed by the Chief Accountant and the President of Financial Affairs, and verified by KPMG Hazem Hassan.

The reports encompass the following required financial components:

- **Income:** Total revenues earned across all operations.
- **Expenditure:** Total operating costs, personnel costs and all other operating costs.
- **Borrowing:** Long-term debt positions as reported in the balance sheet.
- **Surplus:** Operating profit / profit for the period.
