## Higher FIATA Diploma in Supply Chain Management

The International Federation of Freight Forwarders Associations (FIATA) based in Zurich, Switzerland is the world umbrella body of the freight forwarding industry. FIATA offers a variety of well recognized certificates around the world.

The Higher FIATA Diploma in Supply Chain Management (HFDSCM) is a joint program between the College of International Transport and Logistics (CITL) through its logistics and supply chain management department and the Egyptian International Freight Forwarding & Logistics Association (EIFFLA).

### Program Aim

The Higher FIATA Diploma in Supply Chain Management (HFDSCM) is an internationally recognized certificate that aims at providing candidates with a comprehensive coverage of the basic knowledge on supply chain management.

### Program Objectives

The HFDSCM would assist candidates in career advancements through state of the art materials and interactive lectures and workshops.

The HFDSCM program consists of a selective mix of modules that would offer candidates the theoretical knowledge in addition to the practical business experience

**Control the Chain... Control the World**

## Program Outline

The HFDSCM program is 245 hours, whereas each course is 35 hours.

To suit the schedule of candidates, classes will be held every other weekend (Friday and Saturday) from 10:00 am to 6:00 pm. The total duration of the program is nine months. Enrollment is available in Alexandria and Cairo.
