

AAST support Spin offs and startups

- AAST supported number of university spin offs from either from the youth incubator – Rally competition, where an advisory board headed by AAST president formed for this reason.. **The Target is to have “ 256 “ startups in the next two years, till 2023.**
- AAST EC launched the Youth incubator to support the university startups.
- Also AAST have a TICO office, Technology Innovation Commercialization Office, that support in having spinoffs and startups.
