

RALLY STARTUP COMPETITION

AAST EC

Rally Startup is a competition organized by AAST EC and powered by AASTMT for anyone who wants to start their own business. University students and startup founders will have the chance to present and discuss their business ideas with experts from various fields and industries. The competition was initiated in 2016 with the aim to provide guidance, mentorship and investment opportunities to individuals and teams who are eager to follow their dreams and kick-off their business.

The Arab Entrepreneurship Competitions organized under the patronage of the League of Arab States and is jointly organized by the Union of Arab Chambers, UNIDO Investment (ITPO) in Bahrain, the Arab International Center for Entrepreneurship and Investment; and the Arab Academy for Science, Technology & Maritime Transport, in partnership with the Bahrain Chamber of Commerce and Industry.

- The Competition is targeting university students, and aims at providing help, assistance, and services for youth who are eager to develop their own innovative startup ideas. And transfer ideas in to prototypes
