

STARTUP SCHOOL

Early-Stage & Advanced Trainings

aaststartupschool.com

Entrepreneurship Certificates & Training

AAST Startup School acts as the educational arm of the center. The main objective of this program is equipping early stage entrepreneurs with the essential, substantial, and core knowledge & skills. On another side, supporting existing startups through advanced trainings and technical, industry-related mentorship programs. Also, the school provides AAST EC incubators with the required educational support to achieve the impactful incubation experience.
