

## **CURRICULUM VITAE**

### **TEACHING EXPERIENCE:**

**(a) construction and building Engineering Dept. – College of Engineering, AAST&MT, Aswan- Egypt. (Undergraduate courses)**

1	- Engineering Drawing and Projection	ME151
2	- Hydraulics for Civil Engineers	CB281
3	- Water Resources Engineering	CB382
4	- Irrigation and Drainage	CB483
5	- Transportation and Traffic Engineering	CB472
6	-Design of Reinforced Concrete Structures 2	CB455
7	-Design and Construction of Coastal Structures	CB485
8	-Introduction to Construction Management	CB311
9	-Environmental & Sanitary Engineering	CB532

### **Published paper:**

<b>statue</b>	<b>Date</b>	<b>Pages no.</b>	<b>site</b>	<b>Journal / conference</b>	<b>Title of paper</b>	<b>No.</b>
Published	March, 22-24, 2016	223-233	Assiut University	The8thInt.Conf.for Develop.and the Env. in the Arab world	Removal of Pb <sup>2+</sup> , Cu <sup>2+</sup> , and Cd <sup>2+</sup> from treated wastewater using ceramic membranes	1
Published	24/11/2016	439-450	online	International Journal of Water Science& technology (IWA)	Chemical and microstructural analyses for heavy metals removal from water media by ceramic membrane filtration	2
