

Curriculum Vitae

Name: Mohammed Abd El-Aal Mustafa El-Qurashi.

Address: Toson, Abu Qir Al Gharbeyah, Qism Montaza, Alexandria.

Date of Birth: 30 September 1987.

Tel. Home: 03/5634745

Tel. Mobile: 01003348433.

e-mail: m.elqurashi@aast.edu

National ID: 28709301600954

Marital Status: Married.

Military: Exempted completed.

Current Position:

- Assistant Lecturer in Basic and Applied Sciences Institute, College of Engineering and Technology, Arab Academy for Science and Technology, Alex- Egypt, Sep. 2016.

Education:

- Master's degree; Mathematical Statistics, Faculty of Science; Tanta University (2016 – Very Good).
- Pre Master's degree; Mathematical Statistics, Faculty of Science; Tanta University (2009 – Very Good).
- BSC, Faculty of Science, "Statistics and Computer Science", Tanta University (May 2008 – Very Good).
- Graduate Project: "Introduction to Meta Analysis "; (Very Good).

Positions Held:

- Assistant Researcher in Mathematics Institute Faculty of Science, Tanta University, Egypt, Sep. 2009
- Teacher -Apart-Time- in Basic and Applied Sciences Institute, College of Engineering and Technology, Arab Academy for Science and Technology, Alex- Egypt, Sep. 2010.

- General Teacher Assistant (GTA) in Basic and Applied Sciences Institute, college of engineering and technology, Arab Academy for Science and Technology, Alex- Egypt, Aug. 2011.

Teaching:

- Taught Several Statistics (both applied and theoretical) and Mathematics courses. The taught courses include:
- Statistics: (Statistics – Analysis of Variance – Biostatistics – Data Analysis – Distributions Theory – Experimental Design – Probability Theory –Statistical Inference – Statistical Methods – Statistics for Industry– Applied Statistics – Engineering Statistics– Statistical Application using Excel, SPSS, Minitab).
- Mathematics: (Calculus – Differential Equations – Linear Algebra).

These courses were offered for students at:

College of Engineering & Technology – College of Management & Technology – College of Computing & Information Technology – College of International Transport & Logistics – Productivity and Quality Institute – International Transport & Logistics Institute – Graduate School of Management; Arab Academy for Science and Technology and Maritime Transport; Alexandria.

Experience:

- Teaching in College of Maritime Transport; AASTMT – (2010 – Now).
- Assistant Researcher; Mathematics Institute, Faculty of Science, Tanta University (2010).
- Statistical Consultant and data analyzer (2009 – Now).
- Teaching Assistant; SPSS training for 3rd year students; Faculty of Science, Tanta University (2009).
- Member in the team work of Management Information System (MIS) project; Tanta University (2007).

Training Courses:

- The intensive English Language Program Offered "ELTS"; Faculty of Education Grade "B". Equiv. "3.5".

Conferences and Forums:

- The 2nd Conference of the Total Quality Management Center, Tanta University (2006).
- The 6th international conference on biological sciences. Faculty of Science, Tanta University; 10-11 November, 2010.
- International conference on chemical sciences and applications, AASTMT, Alex. Egypt, 6-9 Aug 2016.
- International conference of Informatics and Arab Impact Factor, AASTMT, Alex. Egypt, 6-9 Aug 2016.

Skills:

- **Computer Skills:**
 - ICDL.
 - Visual C++ Language.
 - Photoshop.
 - SPSS, Minitab.
- **Languages Skills:**
 - **Arabic:** Native Language.
 - **English:** Fluent.
- **Personal skills:**
 - Active, hard worker, excellent planner and team work oriented.
 - Strong personal and leadership personality.
 - Excellent ability to communicate at all levels.
