- 4) Helicopter Underwater Escape Training (HUET), Instructor Train the Trainer by M&O, Alexandria, Egypt, July, 2004.
- 5) International Maritime Organization (IMO) Regional Course on the Implementation of the International Maritime Dangerous Goods (IMDG) Code, Malta, March, 2004.
- 6) International Maritime Organization (IMO) Regional Course on the Implementation of the International Safety Management (ISM) Code, Alexandria, Egypt, September, 2003.
- 7) International Maritime Organization (IMO) Regional course on Port State Control for Mediterranean Countries, Alexandria, Egypt, 2002.
- 8) International Computer Driving License (ICDL), UNESCO Cairo Office, 2002.

- 9) Basic Course in Search and Rescue (SAR), Rescue Co-ordination Center (RCC), Cairo, Egypt, 2001.
- 10) Teaching Methods and Skills Course, Arab Academy for Science Technology and Maritime Transport (AAST&MT), Alexandria, Egypt, 1999.
- 11) All Mandatory STCW Training Certificates, from AAST&MT, Alexandria:
  - a. Advanced Personal Survival and Search and Rescue.
  - b. Advanced Fire Prevention and Fire Fighting.
  - c. Medical Care Studies.
  - d. Electronic Navigation Aids.
  - e. Advanced Communications.
  - f. Personal Safety & Social Responsibilities.
  - g. Ship Handling and Maneuvering.
  - h. Radar Simulator – Auto Radar Plotting Aids.
  - i. International Safety Management (ISM Code).

## Research Papers

- 1) **Maritime Terrorism Definition, Effects and IMO Reactions.**  
The Arab Institute of Navigation Journal, Volume 20, December 2005.
- 2) **Utilization of Dynamic Positioning Systems in the Offshore Oil and Gas Industry.**  
Journal of the Arab Academy for Science Technology and Maritime Transport (AAST&MT), No.61, 2006.
- 3) **Hazards of Mixing LPG Products.**  
Journal of the Arab Academy for Science Technology and Maritime Transport (AAST&MT), No.61, 2006.
- 4) **Offshore Support Vessels, Legislative Framework and Classification Societies Requirements.**  
Journal of the Arab Academy for Science Technology and Maritime Transport (AAST&MT), No.66, 2008.
- 5) **Hazards Associated with LNG Operations.**  
Maritime Transport Technology Magazine, Maritime Research and Consultation Center (MRCC), Arab Academy for Science Technology and Maritime Transport (AAST&MT), No.99, Jan.2009.
- 6) **Offshore Occupational Safety and Health, Gap Analysis between UK and Egyptian Legislations.**  
Conference of the International Association for Safety and Survival Training (IASST), Alexandria, Egypt, Oct.2009.

**7) Comprehensive Revision of STCW Convention in order to Facilitate Standardization of the Global MET Systems: A Critique.**

The Arab Institute of Navigation Journal, Volume 24, Jan. 2010.

**8) Implanting Risk Assessment Methodology into the Requirements of ISM Code.**

The Arab Institute of Navigation Journal, Volume 25, Jan. 2011.

**9) Key Features for Developing Effective Offshore Safety and Regulatory Framework within the Egyptian Oil and Gas Industry.**

Maritime Scientific Research Journal, July 2018, ISSN: 2090-2298.

## **Professional Institutes Membership**

- 1) International Association of Safety Professionals (IASP).
- 2) Arab Institute of Navigation (AIN).

## **Courses Taught**

**Undergraduate courses:**

- 1) Marine safety.
- 2) International safety management.
- 3) Transport operations management.
- 4) Ports and terminals operations management.
- 5) Cargo handling management.

**Post graduate courses:**

- 1) International safety management.
- 2) Ship broking and chartering.

**Short course:**

- 1) All seafarer's safety courses according to international convention on standards of training, certification and watch keeping as amended (STCW).
- 2) OSHA courses for general, construction and maritime industries.
- 3) International safety management, awareness and auditor course.
