

Summary Statement

Amr Ali Mahmoud Bayoumi

Lecturer of Architecture & Environmental design
PhD, MSc, BSc, RIBA Associate member, Architect

Amr Bayoumi Bsc Msc PhD is associate member of the Royal Institute of British Architects (RIBA). I am a lecturer of Architecture and Environmental Design at the Architectural Engineering and Environmental Design Department. Being the Course Coordinator of Computer-Aided Design at Architecture Department in Port Said Branch. I have an extensive experience in teaching Architecture Design, Building Information Modeling (BIM), History and Theories of Architecture, Environmental design and Environmental Behavior courses.

Amr accumulated a wide range of skills in architectural design through various projects in Egypt, Bahrain, Kuwait, Qatar and Saudi Arabia. Amr is one of the founders of Noon-Ark group since 2008 containing engineering team and research team; extended an experience of designing socio-environmental multi-scale International projects.

Amr is academically interested in research work concerning environmental design and socio-behavioral trends such as simulation concepts of natural forces and agent simulation of human behavior in different contexts. He is familiar with wind, thermal and pollution simulation and tracing methods. Also, he is familiar with space syntax and agent simulation methods.

EDUCATION

DATES

2013-2017

PHD -DOCTOR OF PHILOSOPHY IN ARCHITECTURE

Department of Architecture – Faculty of Engineering – Alexandria University

Thesis Title: “Retrofitting of Existing Atrium for Maintaining Thermal and Daylight Performance”

RIBA PART [II]

MSC IN ARCHITECTURE & ENVIRONMENTAL DESIGN

Architectural Engineering & Environmental Design Dept. -Arab Academy for Science, Technology & Maritime Transport (AASTMT), Alexandria, Egypt.

Thesis Title: “Application of Multi-scale Computational Fluid Dynamics (CFD) in Architecture – Case Study: Qarun Lake, El Fayoum, Egypt”

RIBA PART [I]

BSC IN ARCHITECTURE & ENVIRONMENTAL DESIGN

Architectural Engineering & Environmental Design Dept. -Arab Academy for Science, Technology & Maritime Transport (AASTMT), Alexandria, Egypt.

Grade: Excellent & Highest GPA in 2007 (GPA: 3.88/4.00)

Graduation Project Title: “Living Bridge in Eastern Harbor, Alexandria”

Graduation Project Grade: 95% highest grade in 2007

2000-2003

High School: Victoria College, Alexandria, Egypt

Academic Experiences

Academic Courses Teaching Experience (17 courses):

- Arch. Design 1 (Functional relations)
- Arch. Design 2 (Site constraints)
- Arch. Design 3 (Design & Structure)
- Arch. Design 4 (Environmental & Social Design)
- Arch. Design 5 (Design Philosophy)
- Graduation Project
 - Environmental Studies 1
 - History of Architecture 1
 - Visual Studies 1
 - Architecture Design and Urban Landscape
 - Computer Application in Architecture 1
 - Landscape Architecture
 - Vernacular Architecture
 - Social Dimensions in Urban Design
 - Theories of Architecture 3
 - Digital Architecture
 - Environment and Behavior: Applications in Architecture and Urban Design

Academic Workshops:

2023

Attended of Negotiation Skills and Influence Others workshop (9-10 August 2023)
Leadership Development Center
Arab Academy for Science, Technology and Maritime Transport

Attended of Applications of Artificial Intelligence in Architecture (Level 1) workshop
(27-28 August 2023)
Leadership Development Center
Arab Academy for Science, Technology and Maritime Transport

Attended of Applications of Artificial Intelligence in Architecture (Level 2) workshop
(24-26 September 2023)
Leadership Development Center
Arab Academy for Science, Technology and Maritime Transport

Attended of Emotional Intelligence in Education workshop (9-10 August 2023)
Leadership Development Center
Arab Academy for Science, Technology and Maritime Transport

2022

Attended of Critical Thinking in Education workshop (23-24 October 2022)
Leadership Development Center
Arab Academy for Science, Technology and Maritime Transport

- 2021 Attended of Quality Standards in Education workshop (28-29 July 2021)
Leadership Development Center
Arab Academy for Science, Technology and Maritime Transport
- 2020 Attended of Methodologies of Scientific Research workshop (15-16 February 2020)
Leadership Development Center
Arab Academy for Science, Technology and Maritime Transport
- 2019 Attended of Use of Moodle in Education workshop (6-7 July 2020)
Leadership Development Center
Arab Academy for Science, Technology and Maritime Transport
- Attended of Competing for Research Funds (30-31 Dec 2019)
Leadership Development Center
Arab Academy for Science, Technology and Maritime Transport
- 2018 Instructor of workshop in Space Syntax and Social Observation methods (7 April)
Practical workshop for using Space Syntax & observation techniques for applying it to urban design project in Port-Said. The workshop is held in AASTMT- Port-Said branch.
- 2016 Instructor of workshop in Environmental Digital Simulation. Practical workshop for using digital simulation tools & techniques for applying it to design of museum project. The workshop is held in AASTMT- Port-Said branch.
- 2015 Instructor of workshop entitled “Digital Simulation of Morphological Digital Concepts 2” a Practical and theoretical design techniques workshop to show generative design techniques and digital environmental simulation approaches within the context of Post-modern and environmental design philosophies in Cairo.
- 2014 Instructor of workshop entitled “Digital Simulation of Morphological Digital Concepts 1” a Practical and theoretical design techniques workshop to show generative design techniques and digital environmental simulation approaches within the context of Post-modern and environmental design philosophies in Alexandria.
- 2013 Participate in “Practical Seminar on Advanced Architecture” organized by IAAC (Institute for Advanced Architecture of Catalonia, Barcelona, Spain).
- Participate in “Zero Carbon Buildings in Alexandria University”. Tracing CO₂ , pollution particles inside educational buildings and in external open spaces.

- 2013 Bayoumi A., “Comparative Wind Simulation Study of Different Urban Patterns in Hot Arid Region: Touristic Resort at Qarun Lake, Fayoum Region, Egypt.” CRDCSC, Energy Science and Technology Journal, Vol.5, No.1, pp.1-7, Canada, 2013.

PROFESSIONAL EXPERIENCES

2008-2016	2008-2016 Associate of Noon-Ark Design Group, Alexandria. (Architecture group works in Middle East and Canada)
2007-2008	2007-2008 Architect in Shalalat Architecture Group in Alexandria, Egypt.
2006-2007	2006-2007 Junior Architect in Dr Ahmed Helmi Association in Egypt and Kuwait.
2005-2006	2005-2006 Junior Architect in Dr Ragheb Architecture Office in Alexandria Egypt.
2000-2005	2000-2005 Worked on a number of passive residential houses in Borg El Arab, Egypt. Gaining experience of designing and executing traditional buildings in desert communities.

Selected Projects

2021-2022	Architecture, Interior and landscape design of Villas and Chalets in North-coast, Egypt Interior design of House in Gleem, Alexandria, Egypt
2019-2020	- Interior design of number of Chalets in North-coast, Egypt.
2017-2018	- Second Prize of Minaret Architecture Design, Bunyan Competition, Qatar.
2016-2017	- Best design of Green Pyramid Mosque, BUE competition, Cairo, Egypt.

- | | |
|-----------|--|
| 2015-2016 | -House design retrofitting in Borg El Arab, Egypt. |
| 2013-2014 | -Passive design of Mosque in Borg El Arab, Egypt.
-Mehwar Highland (Luxury residential and recreational complex)-
(7500m ²) in Alexandria, Egypt.
- Montaza-recreational project (hotel and restaurants) in Alexandria,
Egypt.
- Al Jubail desalination square landscape, large art sculptures
(750,000m ²) in Al Jubail city, Saudi Arabia. |
| 2011-2012 | -Mashtal El Badawy Nile multi-functional recreational project, Cairo,
Egypt. |
| 2009-2010 | - Mansour House (800m ²) in Borg El Arab, Egypt.

-Design of villa Eslam Abdel Motaleb (650 m ²), Borg El Arab, Egypt.

-Second prize, Naama bay gate competition, Sharm El Sheikh, Egypt. |
| 2007-2008 | -Design of Sun desert hotel, Cairo-Alexandria desert road, Egypt.

-Design of “Bahrain Land” as multi-function project consists of hotel,
mall and theme park in Al-Muharaq, Bahrain. |
| 2005-2006 | Undergraduate Selected Projects
-Participate with Experienced Architecture Consultant house in “Eastern
Harbor development” International competition organized by Bibliotheca
Alexandrina, 2006.
-Nominated for the RIBA President’s medals students award by
undergraduate hospital project, 2005. |

RESEARCH INTEREST

- Environmental and ecological studies and practices.
- History and Theory of Architecture.
- Socio-behavior and space syntax studies in Architecture.
- Architecture Design pedagogy.
- Architecture philosophy and criticism.
- Real Estate Investing and capital cycles.
